3. We note your response to comment 4. Since you choose to provide a table

that quantifies

"Total interest expense related to the Term Loan," please clarify why you believe it is both

accurate and appropriate to exclude the most material portion of interest expense related to the loan.

Please contact Charles Eastman at 202-551-3794 or Andrew Blume at 202-551-3254 if you have questions regarding comments on the financial statements and related matters.
